GUILIN UNIVERSITY OF AEROSPACE TECHNOLOGY

- Public undergraduate university founded by former China Aerospace Ministry
- The only university in Guangxi provides the Aviation and Aeronautic Bachelor programs
- Provide Guangxi Government Scholarship for ASEAN students
- Provide School Scholarship for excellent international students

Guilin University of Aerospace Technology (GUAT) is located in a world famous tourist city—Guilin, Guangxi. GUAT was founded by former China Aerospace Ministry in 1979. As a public undergraduate university, GUAT provides more than 30 bachelor degree programs in engineering, management, and art. And it is the only university that provides the Aviation and Aeronautic Bachelor programs in Guangxi.

GUAT has almost 15,000 full-time students from 22 provinces of China. More than 500 international students are from 36 countries around the world, and 70% are from ASEAN countries. GUAT provides Guangxi Government Scholarship for ASEAN students and School Scholarship for excellent international students.

GUAT welcomes you!
